PROJECT EXPERIENCE

Music Collection Library — Music Library

- Building a web application using ASP.NET Core MVC framework, C#, MySQL, and Visual Studio in order for users to assemble and update their very own music library by inputting various artists, album formats, and music genres.

WORK EXPERIENCE

Nanny — The Mentel Family, Fenton

April 2003 - March 2020

- Supervised, engaged, and assisted children from newborn to 15 years of age with their educational assignments incorporating games and puzzles to facilitate learning, creativity, and exploration.

Travel Counselor Trainee — Carlson Wagonlit Travel, Saint Louis

April 2016 - August 2016

- Connected with callers and vendors to build trust and credibility to establish rapport and proposed preferred products, services, and modifications based on account history and adherence to stay within the company's budget.

Non-Foods/Scan Clerk/Cashier — Dierbergs Supermarkets, Fenton

October 2000 - August 2010

- Designed and set up advertising signs and displays of merchandise on shelves, counters, or bins to entice and appeal to customers to promote sales.
- Monitored product pricing, signage, and placement while ensuring proper shelf tags and accompanying UPC codes.
- Memorized product identification codes to enter into the cash register and maintained knowledge of weekly ad specials, promotions, and policies regarding payment, exchanges, and security practices.
